Easter Listings Easter/Passover Singles' Brunch April 18, 2015 Are you looking for a singles' Easter/Passover Brunch for a fun group of singles? Easter Brunch is coming up in a few weeks, and I'm coordinating the event with my good friend, Dana Coons. We are planning a fun Easter/Passover Brunch for a group of singles on Easter weekend, April 17th-20th. It's a singles-only brunch, with a ladies' speed-dating-style game that will allow each woman to show off her funniest Easter joke, an egg hunt, and lots of delicious Easter breakfast food! What a fun way to celebrate Easter with others! If you're interested in attending, please contact me at Ben@MrBrunch.com. Is "Blushing Bride" funny? Find out here. Latest Comments More Fun Hi, my name is Ben. I started this website in 2006 as a way to share my knowledge of etiquette, particularly as it relates to dating, marriage, and technology. Since then, the site has grown to become a full-fledged social life and career-building tool for modern single women - and now for single men and women too! I write about my experiences dating after 50 and living in the digital age, as well as offering practical, straightforward advice to help you navigate today's challenging dating world. If you have a story you'd like to share with me, please e-mail me at Ben@MrBrunch.com. More Info I have a Master's degree in Human Communication and am a Certified Mature Dating Expert and Certified Mature Matchmaker. I speak frequently about etiquette and the single life at events and conferences across the country, including the Tango Dating Conference, New York City's Society of Jewish Dating Professionals, and the Ultimate Singles Tour. Q: Can I set shortcode of my custom field in my shortcode? I created a shortcode to display a custom field which is a textarea but I want to change the font of it. Is it possible? If not, how can I change the font? I tried something like this: function format 2d92ce491b
